

Drenched in Holiness

Dear God, Spirit, Divine Mother,
On this day we ask you to grant this request,
May we know who we are and what we are
Every moment of every day.
May we be a catalyst for light and love,
And bring inspiration to those whose eyes we meet.
May we have the strength to stand tall in the face of conflict,
And the courage to speak my voice, even when we are scared.
May we have the humility to follow our hearts,
And the passion to live our soul's desires.
May we seek to know the highest truth
And dismiss the gravitational pull of our lower self.
May we embrace and love the totality of ourselves
our darkness as well as our light.
May we be brave enough to hear our hearts,
To let our hearts soften so that we may gracefully
Choose faith over fear.
Today is our day to surrender anything that stands
Between the sacredness of our humanity and our divinity.
May we be drenched in your Holiness
And engulfed by Your love.
May all else melt away.
And so it is.
